Executive Summary – Investor Pitch

Quality Solutions Limited (QSL) is a Jamaican management consultancy expanding into Internal Auditing Services for **ISO 9001 (Quality Management)** and **ISO 27001 (Information Security Management)**. We target businesses in Jamaica, the Caribbean, and globally, where compliance with international standards is critical for growth and competitiveness.

Market Opportunity:

- Rising demand for ISO standards worldwide
- Untapped Caribbean market for certification readiness
- Global reach via digital and hybrid auditing models

Competitive Advantage:

- Trusted Jamaican consultancy brand
- Expertise in ISO 9001 & 27001
- Scalable service model with qualified staff
- Few regional competitors at international level

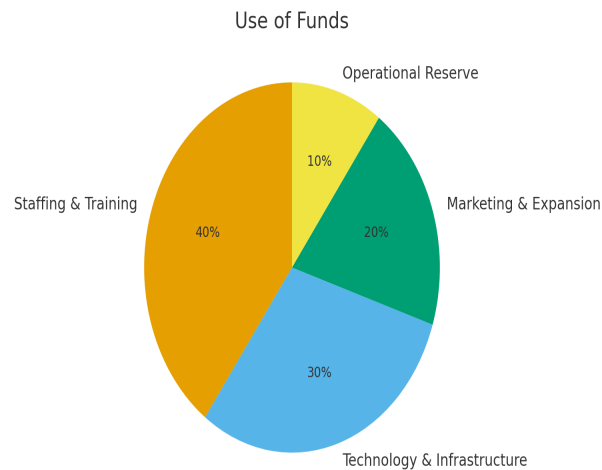

Business Model:

Revenue from internal audits, advisory services, and training. Scalable through remote auditing technology and partnerships with certification bodies.

Investment Ask:

Seeking USD **\$500,000 – \$1,000,000** to:

- Recruit & train auditors
- Build digital infrastructure
- Scale regionally & globally

Investor Value Proposition:

- High-growth sector with global demand
- Recurring revenues via annual audits
- Social impact: enabling Caribbean businesses
- Strong ROI potential from early market entry
